Subject: EPA Assessment Activities

Sir,

Following up on our conversation a few weeks back, I left a form at the City Hall for you today along with my card, this is a basic access agreement form for us to access the City property at the Holden Business Park. We shouldn't need to do a lot of work on that property but we will be working briefly on the southern perimeter during the week of 3/23 and part of the western perimeter.

I also included the City road right of ways as well since we will be working along W 2nd St and roadways to the east of the site. The form is a basic access agreement that acknowledges that EPA will be accessing the property.

I spoke with Tracy Brantner as well this morning to touch base with her on our assessment activities.

Please feel free to contact me with any questions.

Respectfully,

MS
